REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The provision of a controller which sets an amount of fuel injected into each cylinder sequentially in a first cycle of fuel injection during a normal engine start where an engine speed increases, such that an amount of fuel to be injected into one of the cylinders in a last injection within the first cycle is larger than an amount of fuel to be injected into another one of the cylinders in a first injection within the first cycle in a fuel injection system for an internal combustion engine is not taught nor rendered obvious over the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John T. Kwon whose telephone number is (703) 308-1046. The examiner can normally be reached on M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Henry Yuen can be reached on (703) 308-1946. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
